November Book Discussion

Book discussion meets on the second Monday of each month and is open to all adult readers, even those who haven't completed the reading. On November 11 at 1:30 the book club will meet in room 116 to discuss *The Secret Book of Flora Lea* by Patti Callahan Henry.

In the war-torn London of 1939, fourteen-year-old Hazel and five-year-old Flora are evacuated to a rural village to escape the horrors of the Second World War. Hazel fills their days with walks and games to distract her young sister, including one that she creates for her sister and her sister alone—a fairy tale about a magical land, a secret place they can escape to that is all their own. But the unthinkable happens when young Flora suddenly vanishes while playing near the

banks of the river. Shattered, Hazel blames herself for her sister's disappearance, and she carries that guilt into adulthood as a private burden she feels she deserves.

Twenty years later, Hazel is in London, ready to move on from her job at a cozy rare bookstore to a career at Sotheby's. But her tidy life is turned upside down when she unwraps a package containing an illustrated book called *Whisperwood and the River of Stars*. Hazel never told a soul about the imaginary world she created just for Flora. Could this book hold the secrets to Flora's disappearance? Could it be a sign that her beloved sister is still alive after all these years?

The Legend of the Dreamcatcher

The Thorntown Heritage Museum and Thorntown Public Library are joining together to celebrate Thorntown's Native American history. On November 15, come learn about the cultural and spiritual significance of the dreamcatcher and make your own to take home. This program is being held in the library meeting rooms from 4:30-6p.m. This event is FREE and open to everyone, including families with children. Younger children may need help with their craft. The presentation is being prepared by Local History Librarian and Museum Coordinator Kirsten Wamsley, She Who Walks With the Stars, and Sarabi Demientieff of the Dené Nation.

Thorntown Heritage Museum Expanding with Barn Project

The Sugar Creek Historical Society is pleased to announce it has been awarded \$11,000 through the Community Foundation of Boone County's 2024 Unrestricted Grant Program. The funding will be used to complete the next phase of safety improvements for the Thorntown Heritage Museum's barn, expanding the museum. The addition of this space will allow for a permanent basketball exhibit working with the Boone County Basketball Hall of Fame. Restoring the barn will also allow that space to be used for more exhibits, historical programming for our community and the opportunity to work with local schools to allow students to come learn Thorntown/Sugar Creek history. Thanks to donations from our community, Thorntown Public Library's Euchre night, fundraising efforts by the Sugar Creek Historical Society, and now this grant from the Community Foundation of Boone County, the project can be completed. This will allow the society to open the barn by August 2025. A special ceremony celebrating the project's completion will be announced at a later date.

The museum is now closed for the season, but tours are available by appointment. You can call 765-436-7348 and ask for Kirsten or email kwamsley@thorntownpl.org. Sugar Creek Historical Society will meet Nov. 21 at 7p.m. at the museum.

Having a Gourd Time

The Sugar Creek Gourd Patch meets on the first and third Wednesdays of the month. Join us in meeting room 116 from 2-4:00 p.m. On November 6th & 20th we will be working with pastel ground, a textured acrylic primer, on egg or larger gourds. On December 4th & 18th we will be making gourd catcher toys using big dipper gourds and discussing plans for future sessions. There will not be a meeting on January 1st.
